

Pre-Application Conference

Dallas Planning Department

Development Code Type III/IV Review

Official Use Only:
 File No.: _____
 Date: _____
 Fee: _____ PAID

A PRE-APPLICATION CONFERENCE provides an opportunity to obtain feedback and comments from City staff on preliminary development plans prior to the submission of a formal land use application. This feedback early in the development process can help applicants avoid major plan revisions that are more cumbersome to change after an actual application submittal. A pre-application conference also provides the opportunity to discuss required land approvals, permits and the timelines for development approval. A pre-application conference is required for all Type III and Type IV land use actions.

Please return a completed application form with attachments, and the required fee to the Dallas Planning Department, Dallas City Hall, Second Floor, 187 SE Court Street, Dallas, Oregon 97338.

Please note, due to the preliminary nature of information discussed during pre-application conferences, City staff reserve the right to determine permitting requirements upon receipt of an official development application. Information obtained during a pre-application conference is subject to subsequent changes in the Comprehensive Plan, Development Code, and/or any other applicable regulations. A pre-application conference does not 'vest' (lock in any fees or development requirements) a project in any way.
